

Job Opportunities
USDA Forest Service Region 6
Colville National Forest
Three Rivers, Newport/Sullivan Lake, and
Republic Ranger Districts

The Colville National Forest has several upcoming temporary job opportunities for someone interested in working with a fantastic group of people in the beautiful setting of Northeastern Washington. Whether you're looking to pursue your field of interest and develop your career or are just looking for a summer job, these positions will give you the opportunity to perform meaningful and rewarding work.

These positions are located on the East Zone (Newport and Metaline Falls), the West Zone (Kettle Falls and Republic), and the Supervisor's Office (Colville). Employment terms will be from three to six months with the potential for training time extensions. The majority of these positions will be field going and will involve excellent physical condition. Government housing may be available in some areas. Proposed wages for these positions are \$11.06 (GS-2), \$12.07 (GS-3), \$13.55 (GS-4), \$15.15 (GS-5), and \$16.89 (GS-6).

The Colville National Forest is widespread and diverse, it covers 3 counties and encompasses over one million acres. It is home to a number of quality outdoor recreational opportunities nestled within a network of scenic drives and trails. No matter what avenue you pursue, this may be the experience of a lifetime!
